PUBLIC SOLAR ECLIPSE MEETING

The Solar Eclipse viewing event is coming to Grant County and we need everyone's help with organizing events, hosting visitors, and getting into the spirit of being involved in the process. Several ideas were tossed around at the last City Council Meeting and now we need everyone to join in. Come join us at 5pm on March 14, 2017 at City Hall (right before the regular City Council meeting). We look forward to seeing and hearing from you!!!

Photos of Seneca

We still need your photos, folks. Help us show the World Wide Web what Seneca is all about. We want Historical photos, family history photos, lumber mills, landscapes, buildings, Silvie's River, Golf Course, Gun Range, and any Event photos.
