April 2017

Just a Reminder . . .

PUBLIC SOLAR ECLIPSE MEETING

The Solar Eclipse viewing event is coming to Grant County and we need everyone's help with organizing events, hosting visitors, and getting into the spirit of being involved in the process. Several ideas were tossed around at the last City Council Meeting and now we need everyone to join in. Come join us at 5pm on April 11th, 2017 at City Hall (right before the regular City Council meeting). We look forward to seeing and hearing from you!!!

NEW UTILITY AGREEMENT

In with this month's Utility bill is the new version of the Seneca Utility Agreement. Along with the new agreement are instructions as to how to fill out the Agreement (it's really not that bad). It's understood that some of you have never filled this out before as you are long-time residents. Thank You! This form is simply to make sure that moving forward we have everyone accounted for properly and legally.

As always, if you have any questions, please call the office at City Hall at 541-542-2161 between 9 a.m. and 2 p.m., Monday through Thursday.

Photos of Seneca

We still need your photos, folks. Help us show the World Wide Web what Seneca is all about. We want Historical photos, family history photos, lumber mills, landscapes, buildings, Silvie's River, Golf Course, Seneca Range, and any Event photos.
