February 12th 2024 Council Meeting Called to order @6pm by Mayor Brad Smith
Minutes taken by Manager/Recorder Deborah Oatman

#1 Open Floor;

Mike Allen asked the council to consider allowing him to procure a grant writer to gain new PPE for the fire department. It was suggested by Jim Klum to contact larger fire departments as they receive new PPE on a regular basis and may donate what they do not use.

There was a clarification on city council's power to direct the action of the city manager. A majority vote of the council can direct the actions of the city manager.

#2 SaniStar RV Dump;

It was determined that we did not have the traffic to afford the install the equipment and yearly cost.

#3 Underground Tech;

Underground Tech is a trenchless spot repair for leaking and damaged sewer pipes, Deb asked the council about pursuing a bid for this service. This service is like restoring an artery which improves the flow and eliminates infiltration. Councilor Northington made a motion to get a quote from Underground Tech, seconded by Councilor L. Wenick, all in favor, motion passed.

#4 Pay Bills;

Councilor Northington made a motion to pay bills, seconded by Councilor Hood, all in favor, motion passed.

Mayor Smith adjourned the meeting at 6:45

Attest
