Water/Wastewater Master Plan

Resolution # 02 – 01

WHEREAS: The City Council for the City of Seneca recognizes improvements are needed on both the existing water and wastewater systems in the City of Seneca.

WHEREAS: The City Council for the City of Seneca has commissioned a Water/Wastewater Master Plan to be prepared in accordance with the "Agreement for Engineering Service" between the City of Seneca and Team Eastern Oregon, Inc., dated February 8, 2000.

BE IT RESOLVED: The main objective and purpose of the Master Plan is to make recommendations for practical and cost effective improvements to the respective water and wastewater systems; and which will meet current (and anticipated) rules and regulations for the protection of human health and the environment while allowing for continued growth and expansion of the city. This Master Plan has been completed and adopted by the City Council.

EFFECTIVE DATE OF THIS RESOLUTION: Effective immediately after adoption and approval by the City Council and Mayor.
