Just a Reminder ...

## Happy New Year!

Hope everyone had a Wonderful Holiday Season  
here in Seneca!

### Sewer Issues

While all the residents and businesses in the City of Seneca are looking forward to having new sewer pipes, just a reminder that all previous and current rules for “things that don’t go down the drain” still apply. The maintenance staff have noticed an increase of certain items that shouldn’t be flushed and kindly ask that it stop due to the increased backups in the sewer lines in town.

Thank You!
